* Several campus groups held a Christmas Appreciation luncheon for all of the hardworking maintenance staff at the college. The Spanish Club cooked 60 hamburgers and served chocolate chip cookies for dessert. The Ecology Club provided the potato salad and the Nursing Association brought the baked beans. The Fencing Club served chips with the meal. The luncheon was a way to say "thank you" to the maintenance staff for all their hard work.

* **Tim Moore** was surprised recently with two cakes on his birthday. One was from his co-workers in the business office and the other cake was from members of his SI team. Wonder if Tim should have to double his age for two birthday cakes?
